

## Research Exchange Program Imperial-TUM Mathematical Sciences Hub

*Funded by the TUM Department of Mathematics and TUM Global Incentive Fund within the Flagship Partnership: Imperial College London & Technical University of Munich*

### **Goals and Eligibility:**

The program supports the development of new and the expansion of existing research cooperation projects between Imperial and TUM for example through:

- meetings of collaborators of all levels (from Masters to Professor)
- participation in schools or conferences at Imperial
- joint workshops, seminars, symposia etc.
- preparation of joint proposals for third party funding
- starting or furthering joint teaching/research collaboration

All members of the TUM Department of Mathematics may apply.

### **Application process:**

Please apply using this form only.

Deadline for applications: 4 weeks before intended visit / project start.

Please send your application to: [clayton@ma.tum.de](mailto:clayton@ma.tum.de)

Your application will be considered by our scientific committee and answered within three weeks of submission. The decision of the Imperial-TUM Mathematical Sciences Hub cannot be contested and does not constitute a precedent.

For general advice on expected costs for accommodation, travel, events etc., please contact Diane Clayton-Winter, Tel. 089 289 18352, Email: [clayton@ma.tum.de](mailto:clayton@ma.tum.de)

Should your application be successful, you will then receive detailed information on the financial regulations and administrative processes to be observed in connection with your project.

Please note that for travel of TUM members to Imperial College London, a travel request must be submitted to *Referat 34* in good time.

# Imperial-TUM Mathematical Sciences Hub Research Exchange Program - Application Form

## 1. Applicant TUM researcher

Surname:

Given Name:

Chair/Professorship & Position:

Internal Phone:

Email:

## 2. Proposed collaborator at ICL

Surname:

Given Name:

Position:

Email:

## 3. Project summary and objectives

a. Planned project period

b. Scientific context and anticipated outcome (as an attachment if necessary).

#### **4. Estimated costs and requested funds**

a. Accommodation

b. Travel costs

(please observe the TUM regulations on travel costs)

c. Other costs

(Please specify)

Total expected costs:

Funding from other sources:

Total sum of hub funding applied for:

#### **5. Acceptance of application regulations, data protection and signatures**

I agree that my data will be collected, processed and used by Technical University of Munich (TUM) for the purposes of the administration of my stay / project and that the information on this form will be stored electronically and used by the administrator of the Imperial-TUM Mathematical Sciences Hub in accordance with the provisions of the Bavarian Data Protection Act (BayDSG).

I am aware that I can revoke my consent at any time without any adverse consequences. I must send any notice of cancellation to the Technical University of Munich, e-mail: clayton@ma.tum.de. In the event of cancellation, my data will be deleted upon receipt of my notice.

I understand that the information and documents provided in this application will be used by the Imperial-TUM Mathematical Sciences Hub for the decision about the award of the grant only. The decision of the Imperial-TUM Mathematical Sciences Hub cannot be contested and does not constitute a precedent.

I certify that the information provided in this application is accurate to the best of my knowledge. Furthermore, I agree to inform the Imperial-TUM Mathematical Sciences Hub immediately of any significant changes or amendments in the planned project. If the information provided is false or incomplete, the grant will be revoked and all received funding must be paid back to the TUM.
